Inch and Miles: The Journey to Success

by Coach John Wooden with Steve Jamison and Peanut Louie Harper

Based upon Coach John Wooden's Pyramid of Success, *Inch and Miles: The Journey to Success* delivers a gentle message about the personal greatness that lives within all of us.

Inch and Miles have one final assignment before summer vacation begins. Their wise teacher, Mr. Wooden, has asked them the meaning of success. Using a magic silver whistle, Inch and Miles set out on a journey to discover the blocks of the Pyramid of Success and learn how to try, 100 percent, to be their personal best. From Axelrod the Ant, who teaches the value of Hard Work, to Albert the Alligator, who stresses Confidence, Inch and Miles meet 14 characters representing values with a certain guarantee of Success. When Inch and Miles have completed their magical journey and returned to the classroom, they understand when Mr. Wooden says,

Success isn't having trophies or toys.

It isn't a medal or friends of your choice.

What is Success? That's easy to see.

It's trying to be the best you can be!

Don't worry what others may have or might say.

When trying your best, success comes your way.

“This needed, insightful and delightful book is a gem—a real winner just like its author!”

—Dr. Stephen R. Covey, author of *The 7 Habits of Highly Effective People*
