Classroom Libraries

Special pricing for **CARES** funding!

Encourage independent reading to offset learning loss

Classroom libraries designed to excite and engage students are the key to building reading skills. Reflecting the interests of today's students, the titles in these collections cover a wide range of reading levels, topics, and genres to encourage all students to become successful, life-long readers.

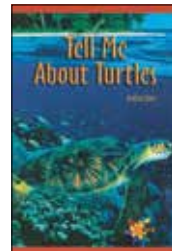

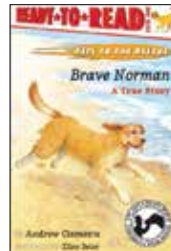

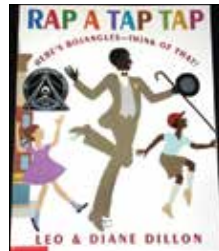

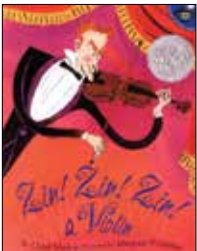

Base Collections

- Essentials**—a mix of fiction and nonfiction titles.
- Informational Texts**—social studies, science, and math titles.
- Literary Text Types**—fiction titles in a variety of text types.
- Below Level**—engaging, accessible content for below-level readers.

All collections, Grades K-5, include a teacher resource and bookroom storage support.

Expansion Collections

- Classroom Favorites**—must have new and classic titles for the classroom.
- New Titles**—update your classroom with the best new fiction and nonfiction titles.
- ELL**—accelerate proficiency in English language and literacy skills.
- Essential Voices**—features characters representing a variety of ethnicities, religious affiliations, and gender identities.
- Read-Aloud**—develop expressive, fluent reading while strengthening skills in comprehension, vocabulary, and critical thinking.
